## FOUR ON THE FLOOR

### PolyWhey®

*Professional Wood Finish Made Green.™*

*PolyWhey®, a revolutionary, patented technology delivers durable, safe and easy to use paints, stains and finishes that have established the highest performance and environmental standards. PolyWhey uses whey protein- a byproduct of cheese making- as the transformative ingredient.*

#### **Superior Durability**

Premium durability with patented PolyWhey formula

#### **Red List Free**

No chemicals causing cancer, birth defects, or reproductive harm

#### **No California Prop 65 Ingredients**

Protects ground and drinking water from toxic chemicals

#### **Qualifies for LEED Credits**

Complies with VOC laws in all 50 states and Canada

#### **Green Innovation**

Derived from recycled and renewable whey protein

PURE MATTE

HYDRO LACQUER

HEMP OIL

SUN WARDEN

Introducing Four On The Floor - all-new professional wood finish options. This new line includes three PolyWhey products: Sun Warden, our premium indoor UV protection, Hydro Lacquer Grain Enhancing Sealer, and Pure Matte Ultra-Flat Finish. We are also excited to introduce Hemp Oil Natural Wood Finish, made with cold-pressed farmer-sourced hemp oil. We are proud to expand your options for safe, effective products with professional performance.

*Durable • Safe • Easy to use*

# VERMONT NATURAL COATINGS®

## FOUR ON THE FLOOR

It's good to have options to enhance flooring jobs and we have them in spades. New technology for new applications in floor finish. These products will expand your options for finishing your wood floors.

### Hydro Lacquer

PolyWhey

Decovery

**NEW** HYDRO LACQUER GRAIN ENHANCING SEALER - Made with PolyWhey and plant-based resins, Hydro Lacquer is a grain enhancing sealer that produces a warm oil look for floors, furniture, and all other interior woods. Finally, an effective alternative to hazardous solvent-based finishes. USDA Certified Biobased.

- Vibrant grain enhancement, warm oil look
- Easy application
- Cleans up with soap & water
- Non-flammable
- Surpasses all environmental standards in the US & Canada
- Low VOC ≤ 250 g/L

### Pure Matte

PolyWhey

Decovery

**NEW** PURE MATTE ULTRA-FLAT FINISH - A premium interior wood topcoat that provides a natural flat matte appearance while protecting the wood. Made with PolyWhey and plant-based resins, it is both safe and natural. Ideal for use on floors, furniture, trim, cupboards, tables, doors & more. Excellent chemical and water resistance. USDA Certified Biobased.

- Chemical and water resistant
- Easy application & soap & water cleanup
- 0-5 sheen on 60° meter
- Non-flammable
- Surpasses all environmental standards in the US & Canada
- Low VOC ≤ 225 g/Ls

### Sun Warden

PolyWhey

**NEW** SUN WARDEN PREMIUM UV PROTECTION - PolyWhey Sun Warden is a premium interior wood treatment that provides a natural appearance that protects the wood against UV exposure and color change caused by age. Sun Warden leaves a matte finish which may be top coated for added protection with Vermont Natural Coatings PolyWhey Floor Finish or Furniture Finish.

- Superior anti-yellowing technology protect wood from damaging UV rays.
- Enhanced water and chemical resistance.
- At 95 g/L, complies with all US and Canadian VOC regulations
- Available in Clear and White Wash

### Hemp Oil

FARM to FINISH

**NEW** HEMP OIL NATURAL WOOD FINISH - Vermont Natural Coatings Hemp Oil hardens as it dries, providing a warm grain-enhancing appearance. Use on new floors or furniture, or older or previously coated indoor wood surfaces that need sprucing up. Our Hemp Oil is cold pressed, meaning that no chemicals or solvents are used to extract our oil, giving it a beautiful natural look while ensuring it is safe. Zero VOC. USDA Certified Biobased.

- Dries to a matte finish
- Penetrates wood
- Water resistant & easy to apply
- Cleans up with soap & water
- Use over raw wood, milk paint, or to revive old finishes

*Durable • Safe • Easy to use*
