- Heavy Duty
- Unscented
- 100% Biodegradable
- Safe for all wood surfaces
- Hypoallergenic
- No phosphates

Heavy Duty • Safe • Easy to use

PREPARATION & APPLICATION

-  Wood Cleaner will also clean other hard floor surfaces such as tile, laminate and stone.
-  Test an inconspicuous area for discoloration or sensitivity.

This biodegradable cleaner is part of our ongoing agricultural focus - to find better methods for common tasks using the resources we see around us.

Directions:

- 1) Spray surface and wipe with a clean mop or towel.
- 2) For stubborn areas, allow Wood Cleaner to stand for up to two minutes.
- 3) Some areas may require scrubbing with a brush or pad.
- 4) Blot stains with a clean towel and allow to dry.

Caution:

Keep out of children's reach. Avoid eye contact. If eye contact does occur, immediately flush eyes with water as necessary. If ingested drink quantities of water. Do not induce vomiting. Contact a physician.

Ingredients:

Water (7732-18-5), ethoxylated alcohols (68439-46-3), tetrasodium glutamate diacetate (51981-21-6), sodium citrate (6132-04-3), citric acid (77-92-9), FD&C Blue #1 (3844-45-9), FD&C Red #40 (25956-17-6).
