VERMONT NATURAL COATINGS®

WOOD CLEANER

A heavy duty, 100% biodegradable product that delivers the safest and most durable wood cleaner on the market

RECOMMENDED USES:

Use for daily or deep cleaning on all your interior or exterior wood surfaces.

Available in 32oz spray bottle and gallon concentrate

- Heavy Duty
- Unscented
- 100% Biodegradable
- Safe for all wood surfaces
- Hypoallergenic
- No phosphates

Durable • Safer • Easy to use

PREPARATION & APPLICATION

Wood Cleaner will also clean other hard floor surfaces such as tile, laminate and stone.

Test an inconspicuous area for discoloration or sensitivity.

APPLICATION:

1) Spray surface and wipe with a clean mop or towel.

2) For stubborn areas or stains allow Wood Cleaner to stand for up to two minutes.

3) Some areas may require scrubbing with a brush or pad.

4) Blot stains with a clean towel and allow to dry.

TECHNICAL DATA

Color in Container
VOC

Transparent pale blue liquid

Coating: 0g/L (wet)

Material: 0g/L (dry)

Flash Point

None

Freeze/Thaw Stability

Do not freeze

Odor

No odor
