

VERMONT NATURAL COATINGS®

MULTI-SURFACE CLEANER

Vermont Natural Coatings Multi-Surface Cleaner fights mold and mildew stains and airborne black mold while removing dust, dirt, grease, grime, algae, and mill glaze. Prepares hard and non-porous surfaces for application of Vermont Natural Coatings products.

Superior Protection

Premium cleaning & protection with our innovative new formula

Safe For People and Pets

No chemicals causing cancer, birth defects, or reproductive harm

Environmentally Safe

Protects ground and drinking water from toxic chemicals

Ultra-Low VOCs

Complies with VOC laws in all 50 states and Canada

Green Innovation

Made from the latest in green technology

MULTI-SURFACE CLEANER

In an industry where toxins are the norm, Vermont Natural Coatings has found a better way. This innovative non-toxic cleaner is part of our ongoing promise to find better and safer methods for common tasks. We replace petroleum with Zero VOC plant-based ingredients for an industrial strength alternative.

VERMONT NATURAL COATINGS®

MULTI-SURFACE CLEANER

Vermont Natural Coatings Multi-Surface Sealer cleans and prepares surfaces for application of VNC sealers and finishes. This innovative formula is non-toxic and fights mold and mildew stain and airborne black mold.

RECOMMENDED USES:

For use on wood, pressure treated wood, concrete, brick, composite, tiles, grout, vinyl siding, laminate and more.

 Available in Quarts and Concentrate in Gallons

- Zero VOC
- Non-toxic, safe for people, pets, and the planet
- Prevents mold and mildew stains and airborne black mold
- Surpasses all environmental standards in the US & Canada
- Formula won't discolor surfaces
- Preps, coats, and maintains surfaces

ULTRA-LOW
VOC

CONCENTRATE FORMULA

APPLICATION:

SPRAY QUART DIRECTIONS:

- 1) Spray surface and wipe with a clean mop or towel.
- 2) Allow cleaner to stand for 10 to 15 minutes. Some areas may require scrubbing with a brush or pressure washer.
- 3) Rinse surface with water.

COVERAGE: One qt. cleans approximately 150-175 sq. ft.
VOC ≤ 0 g/L

CONCENTRATE DIRECTIONS:

- 1) Mix one part Vermont Natural Coatings Multi-Surface Cleaner Concentrate to four parts water for regular cleaning.
- 2) Use diluted mix as directed above in a spray bottle for spot cleaning.
- 3) Apply to all surfaces with a pump-up garden sprayer or mop. Allow cleaner to sit for 10 to 15 minutes prior to scrubbing with a brush, mop, or pressure washer.
- 4) Rinse surface after cleaning.

APPLICATION TOOLS: Mop, towel, brush or sprayer recommended.

CONCENTRATE COVERAGE: One gallon Multi-Surface Cleaner Concentrate makes five gallons of cleaner. Cleans approximately 3000 to 4000 sq. ft.
